FOR THE COMMISSION

Executive Director

Copies of this order were mailed  
to the complainant and the judge  
on August 31, 2010.

*This order may not be used as a basis for disqualification of a judge.*

The point of the fact is, I was summoned to  
A Court of de facto by Judge for a Crime  
Without a Contract, membership or consent.

I was never asked whether or not I wanted to  
Join. I don't, therefore, consider I have joined...  
Whatever anyone else may think. I consider I have  
been thoroughly deceived, throughout my entire  
life. I don't need to submit my resignation,  
because I was only joined as a member on someone  
else's assumption in the first place. And that  
doesn't count, as far as I'm concerned.

On 7-1-10 Judge , ask me to state a  
Legal Fiction Person and date of birth (yes, this the right  
birth) with is a Hoax in order to clutch at a strawman.  
When, I did not acquiesce, she had to keep me from  
saying anything else (for clandestine purpose) by shouting  
in a rambunctious tone "I'm the Boss, I'm the Boss".

Which I am not denying that, for the simple fact,  
A court of de facto was established for means of  
Private concerns providing an arbitration service.  
(Supposedly independent, but with the overall  
desire - as do all private concern - to simply make  
a profit). So, that would make her the Boss,  
but "He who dishonours loses".

Which can be proven by Court Video and the Stenography on the above date.

I filed a motion to change Counsel which would have made me "In propria persona", (stop lets correct that now, "I'm a Sovereign Human Being in my Book") but would not acknowledge it, because she Assume me to be a ward of the court. That's why she stated you need a lawyer. As of this Complaint she has appointed a new Counsel by the name of Robyn Varcoe.

Well, this is the fact about Attorney & Client I can NOT get pass.

In the Corpus Juris Secundum (C.J.S) Legal Encyclopedia Volume 7 section 4, which quote: (His first duty is to the courts and the public, not to the client.).

So, this is one more part of the Grand deception, but I haven't left no stones unturned for my welfare.

Therefore, at this time Judge has meet all the elements in committing a crime in accordance to common law (the real Law of the land and not the water. I requestins that this matter be handled in a "Court of de jure"
