RE: Self-Reporting Violation of the 60 Day Rule

Dear Members of the Commission:

I just today learned that I have Case # TR2009- in my court that is in violation of the 60-day rule, which I now wish to self-report.

This is a DUI case that was appealed and the final response filed by the County Attorney was on May 10, 2010. The file should have been submitted to Superior Court immediately afterwards.

Today I asked my staff the status of any pending appeals and they informed me that this case was sitting on a clerk's desk. It has now been transmitted to Superior Court today.

I apologize for this violation of the 60-day rule and I will work with my staff to institute procedures to ensure this does not occur again.

Respectfully submitted,

Justice of the Peace
