

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Amended Disposition of Complaint 11-029

Complainant: No. 1411110110A

Judge: No. 1411110110B

ORDER

The complainant alleged that a municipal court judge was biased, may have caused him to be unfairly arrested and convicted, and made improper statements during the trial. The commission reviewed the complaint and found no evidence of ethical misconduct on the part of the judge. Copies of documents related to the case and e-mails the complainant sent to various individuals substantiated that his primary grievance is that he did not believe he should have been convicted. Whether the judge made the correct decision is a legal question that is outside the jurisdiction of the commission. Accordingly, the complaint is dismissed pursuant to Rules 16(a) and 23.

Dated: July 5, 2011.

FOR THE COMMISSION

/s/ Keith Stott

Executive Director

Copies of this order were mailed to the complainant and the judge on July 5, 2011.

This order may not be used as a basis for disqualification of a judge.

01/28/2011

Dear Judge, Commission,

I have asked the Phoenix Municipal Court as well as the Judge in question () in a motion to be removed from this case; however the motion was never even answered, please see attachments in regard to judicial abuse, abuse of power, judicial indiscretion, judicial prejudice, and judicial bias.

I have never been in trouble before, I have not had any prior convictions except I received a ticket on my bicycle because my light was broken, these false allegations, malicious prosecution and false conviction in case (, The Phoenix Municipal Court) This judge wants to put me in jail for something hideous, such as this crime I didn't commit.

I am a person and a student with hidden disabilities, I have told the Phoenix Municipal Court, that I am being tried in the wrong jurisdiction, I filed a motion that I am being tried in the wrong jurisdiction it was never addressed.

I am sickly afraid of this judge this judge has breached Canon 1, 2, 3, constantly and supervising judge (administration) is aware of this.

This judge wants to put me in jail for something a (Case) that doesn't even hold water, my civil rights have been breached as well as my constitutional rights, and something needs to be done with this preposterous legal fiction!

Sincerely,
