Complainant: No. 1385110678A

Judge: No. 1385110678B

**ORDER**

The complainant alleged that a superior court judge sexually assaulted her in a courthouse jury room and then threatened to have her killed if she did not keep quiet about it. The commission reviewed the complaint and found no evidence of ethical misconduct on the part of the judge. The complainant failed to provide any evidence to substantiate the claim, and court records do not show that she was transported to the courthouse at any time during the month she alleged the attack occurred. Accordingly, the complaint is dismissed in its entirety pursuant to Rules 16(a) and 23.

In February 2011 I was in The East Court building when I was on The 4<sup>th</sup> floor when I was in my room to Courtroom #413 when Judge came in and he made sexual proposals to me and said if I didn't submit to him he would rule against me in my special action where he knows I have a well documented Bladder Condition Diagnosed By Doctors and need care that D.O. can't give me. I said I won't let you use your power to rape me. He proceed to throw me to the floor with D.O., ADAM STODDARD and he sexually raped me and said if I didn't keep it quiet he would have me killed at the Damp of a finger. cause he was a Judge. I requested to speak to Court Security to file a rape charge and was Denied. He also wrote to County Attorney Bill Montgomery and was ignored. I want to file a Report & I want this rape addressed cause I am about to sue over this issue also.
