

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 12-137

Complainant: No. 1442710605A

Judge: No. 1442710605B

ORDER

The complainant alleged that a pro tem superior court judge was biased against him because of his gender and race and refused to reassign his case to another judge.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After reviewing the information provided by the complainant and the electronic court records, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. Accordingly, the complaint is dismissed in its entirety pursuant to Rules 16(a) and 23.

Dated: July 16, 2012.

FOR THE COMMISSION

/s/ George Riemer

George A. Riemer
Executive Director

Copies of this order were mailed
to the complainant and the judge
on July 16, 2012.

This order may not be used as a basis for disqualification of a judge.

Oct 6-2011 i filed for divorce at
 County Superior court -
 why - at 75 years I was abandoned
 left w/o a penny - even my SS was
 taken - my teeth were knocked out -
 my heart pills flushed down the toilet
 my hearing aid crushed - blind in
 my left eye and nearly in my right -
 by whom? my wife of 22 1/2
 years - who after retirement became
 completely addicted to Sch - shes
 13 yrs younger when i filed at
 superior court county - I
 asked for a expedited hearing because on
 top of all the above health problems
 i also have AFIB heart - and
 a history of aneurysms - i'm totally
 deaf in my right ear and very bad in
 my left ear - and i also have all
 the medical evidence to back these statements
 up -

But instead of getting any

Kind of help at all - from
 Court - the judge sends
 out a copy of the law for me to
 read - (see Attch) - As I am
 reading the law I say to the clerk
 - YES! but read
 the last 6 words - under Temporary
 Orders - paragraph E. it says. ~~Last~~ 6 words -
Unless otherwise ordered by the Court.
 So I had to stay in my truck freezing
 cold - no water no food - no blankets
 no health care - next hearing was
 Nov 9th 011 - but the judge
 cancelled it so I go to stay in
 my truck till the 2 of Dec - 011 - but
 the judge had several things for me
 to get done before I had a hearing
 or got money for medicine for heart -
 Next hearing Dec 15-011 - more time
 in my truck - no food money - no
 medicine - no blankets freezing cold at
 night - Judge dismiss the case
 Nov 13th 011 - I became very ill
 very bad pain in my chest I went
 to Holy Cross hospital - they after several
 hours of observation took a chest
 X-ray - and I left staying in my
 truck - when X-ray was read

they found a Amurym wrote a report - but couldn't locate me because i had no address and no primary Doctor - Amurym on my aorta below my heart - all due to a Judge that hates Anglo - Caucasian and or male's - and gave me no money and still hasn't, to live on or decent health care - So i lived for 172 days 24-7 in my truck freezing - not eating - no health care - ~~at~~ now 76 years old thru Thanksgiving - Xmas - new years eve and day - while ~~at~~ the Judge let my wife live on 6,1K amo. still does and I get nothing -

after the first of the year - Like Jan 2012 - after asking many atty's because I had no money - to pay them or retain them i found an atty by the name of ~~of~~ - they call him

took me back to court ^{Feb 8 2012} ~~even~~

Feb 8-2012

tho I wrote and complained to the presiding Judge James Soto County - I don't want Judge please give me a fair Judge who doesn't hate Caucasians or Anglo's

or males — Best gave
the case anyway —

Mr. did a clinical presentation
how much money involved — 80k a year
my teeth broke out — my hearing
living in the truck — being blind —
Cancer of the prostate — spousal support

has no control over his
Judges what so ever — see
article — DEC 27-2011 Nogales International
about collusion between two judges
— and police — taking them
out of divorce court and putting
in — who has no experience
what so — and a law degree from
some cotolague school in California —
like Western law school — only because
the politics in Nogales is so dark ^{and} ~~and~~
scheming — (you no) look at the Mayor
and his father — now you got
the 3 ~~we men~~ ^{women} judges — and
who has a large story on google —
Verdicts over turned by higher courts
against men — her angry divorce —
Many things to question her capability
as a fair and honest judge

any way - at the end of the day even tho my wife gets all the 80k yearly I got Nothing - the ruling was so gross and one sided - Now we can't get any settlement cause its in favor all ready because - has no idea how to judge or be fair -

Judge has broken every Arizona Code of Judicial Conduct you can go down the list has broken it -

because of my ~~old~~ ^{very poor} health i would like to have this case moved to Pima County - I no could think of more cheap shots to do to me but has caused my death any way - I just hope i can plan it to happen in front of the court house -

Here's the Kicker - the clerk the court clerk removed from my application for ~~divorce~~ divorce - the first 24 pgs

8012-137

because he didn't think the public had the right to see these pages - yes! 24 pages - The Judge didn't even realize that 24 pages were missing - DO11-214, didn't even win the case

When dismissed the case DO11-214 - we were all there - it was only to make a 76 year old man suffer more needs to be removed from the bench - is very bias - abuse ^{of power} bullying -

Please investigate as this is very unfair -

I have all the evidence to back up everything I say - plus all the digital transcripts transcribed -

this is truly abuse of power and or bullying
