**ORDER**

The complainant alleged a superior court judge was biased against her and did not hold the opposing party accountable for perjury in a family law case.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

Commission member Colleen E. Concannon did not participate in the consideration of this matter.

about the perjureing, In his Ruling he claimed I failed to provide proof of my husbands hiding and existence of assets. In the court room my husband was making jokes with the Judge about his accounts the judge was very friendly with my husband like they were friends the Judge was cold to me and showed favor towards my husband. I asked for a audio of the court hearing so the court can hear how friendly and joking they both were in the court room together and can tell he was not friendly with me but cold. Since our divorce I have seen my husband at \_\_\_\_\_ twice he has a gotten away with many lies in the court room, and he is under a \_\_\_\_\_ Investigation cause of working at a \_\_\_\_\_.
