**ORDER**

The complainant alleged a municipal court judge failed to read his pleadings, refused to allow him to make a statement, and attempted to force him to undergo a competency evaluation in a criminal manner.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

We (the U.S.) are at war w/ Russia,  
and the former Soviet Union. I filed a 5 page  
'motion to dismiss' the charges, one day  
before the arraignment, and I feel that  
the Judge did not read the motion  
for dismissal of charges.

The Judge and the (~~piece~~ Piece  
of shit) Court appointed counsel tried  
to have me rail roaded into a  
hearing ( w/o my consent.  
I told my court appntd. atty. that he  
was fired and that I do not want to  
participate in a hearing for  
a

I told the Judge that I do not  
want to file a \_\_\_\_\_ and he said  
that he was from \_\_\_\_\_ just like  
\_\_\_\_\_. The judge would not allow  
me to read a one page statement  
that described how my civil rights  
were violated @ the time of "Arrest",  
search and detainment @  
for \_\_\_\_\_ against my will.  
(for Evaluation.)

I did not know why they did this because  
there was no \_\_\_\_\_ issues ~~there~~ @  
during the whole incident. I feel that the Commission  
on Judicial Conduct should get a copy of the motion for  
dismissal, and the motion to fire the court appntd. counsel.
