COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 19-059

Complainant:

**ORDER**

July 3, 2019

The Complainant alleged a superior court judge engaged in fraud.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Rules 16(a) and 23(a).

Commission members Denise K. Aguilar and Barbara Brown did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on July 3, 2019.

marked as if she was the magistrate and/or judge (usually amounts to mail fraud collection schemes). To make a long story short, I do not know if Judge \_\_\_\_\_ exists but he is doing frauds with my identity and personal matters.

In a previous matter, \_\_\_\_\_ Judge \_\_\_\_\_ and his clerk went through the defendants checking accounts and dismissed my case. I pay for those actions, the certified service, and the default orders. I am accusing Judge \_\_\_\_\_ and his office of mail fraud collection schemes for: (1) cancelling my actions and attempting to collect my receipts, and (2) causing personal losses with collection frauds against me for filing costs where Judge \_\_\_\_\_ cancelled my actions and later attempted to collect costs from me and my receipts (the defendants). I request a "full and fair" investigation into courthouse dodget and collection frauds.
