COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 21-003

Judge:

Complainant:

---

**ORDER**

March 31, 2021

The Complainant alleged a superior court judge failed to afford him due process, violated his Fifth Amendment rights, and erroneously denied his request for post-conviction relief.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on March 31, 2021.

I asked to invoke my 5th amendment rights! After forcing me to answer a question, & not allowing me due process, or my 5th amendment rights, put me back in jail, raised my bond to \$100K, kicked me out of my home I've lived in since [redacted] & the entire neighborhood of [redacted] in the height of a Covid 19 pandemic. He's allowed the alleged victim to spew off at the mouth endlessly, but myself & my many witnesses have been silenced. [redacted] has gone on & on about video evidence, yet none has been disclosed by the prosecution. [redacted] has had me falsely arrested - [redacted] on lies & half-truths. It's time for the State of Arizona to disclose these videos or drop this case & let me come home before I die in the streets from freezing or Covid 19. I also believe [redacted] should be disrobed, de benched & thrown back in the Public Defenders office where [redacted] found [redacted]
