COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 21-031

Judge:

Complainant:

ORDER

April 21, 2021

The Complainant alleged a superior court judge was biased against him, violated federal law, and made erroneous rulings in a family law matter.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Denise K. Aguilar did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on April 21, 2021.

Good morning,

Thank you for the digital copies. I wanted the hard copy originals to obligate any issues. I only approved the use of my verification forms to have the law firm represent my case and to correspond with Mrs. [redacted] firm. Don't want any issues of someone saying I submitted forms agreeing to anything else. If I knew [redacted] would withdraw I'd never sent the extra forms. I'd like to have the physical originals I never used returned. To alleviate anxieties and concerns of someone possibly using them without my consent.

Thank you for your time.

Attached please find the documents you requested. I am also attaching the Court's Order allowing our withdrawal. You should feel free to reach out to Atty. directly.

Also, there is no written agreement resolving Petition. The parties' verbal agreement was memorialized in a letter to Atty. (a copy of which you have already received). While we waited to receive the written agreement from Atty. you decided you no longer agreed to retain Atty. to perform the calculation and you no longer agreed to pay your share of Atty. fees. These were specific provisions of the parties' verbal agreement. Because you were no longer willing to follow through with the parties' verbal agreement, no written agreement was ever drafted.

I hope that helps; please let me know if you need anything else.
