

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 21-042

Judges:

Complainant:

ORDER

April 21, 2021

The Complainant alleged a superior court judge and six appellate court judges issued erroneous rulings and failed to provide findings of fact and conclusions of law.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Denise K. Aguilar and Michael J. Brown did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on April 21, 2021.

To whom it may concern,

My name is _____ and I am currently
in _____ I write to you to inform you
that _____ County judges are refusing intentionally to follow the
correct standards when it comes to applying them towards the merits of
my case, furthermore, these same judges are refusing to give any
findings of facts or conclusions of law to support their decisions.

These judges have shown an objectively unreasonable application of
United States _____ case law precedent and an objectively
unreasonable determination of the facts in my record, I want a
investigation into these judges conduct because their non-feaceance
is causing a miscarriage of justice which is egregious.

I am currently petitioning the _____ in Arizona
for review, my case # are _____ and _____

The judges who have committed these improprieties are: Honorable _____

and _____

These judges either intentionally failed to follow the correct
standard set forth or intentionally failed to give any findings of
facts or conclusions of law to support their decisions, some judges
provided both improprieties. Every issue I raised is in my court records
and is clearly a violation of my United States Constitutional rights
under the fifth, sixth, and fourteenth Amendment.

A fundamental miscarriage of justice would occur if my claims
were not reviewed on the merits.

Thank-you for your time and Consideration with these issues,
if you need any more information please contact me.

Sincerely,
