

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 24-051

Judge:

Complainant:

ORDER

June 6, 2024

The Complainant alleged improper legal rulings by a superior court judge hearing a civil case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Denise K. Aguilar did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on June 6, 2024.

COMPLAINT AGAINST A JUDGE

Name:

Judge's Name:

Instructions: Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

Judge refuses to release Defendant from corruption and Plaintiff's false, abusive filing. Which is part of his domestic violence. Attorneys have lied in open court and complaints have been filed. Defendant has also submitted to federal agencies as the court continues to fail upholding her rights.

Please see Defendant's two most recent filings, and also let me know if there is an email, I can attach them to as an attachment instead. The amount of fraud, judicial abuse, attorney misconduct is so vast that the filings summarize it the best. Separate from the case, Plaintiff pre-meditated and attempted my murder with a Police Officer as an accomplice. I have done a timeline and Plaintiff is in business with an alias name with licensed attorney in the State of Arizona.

I am absolutely shocked this can happen in this country.

I AM MAILING THIS OUT ON . PLEASE CONFIRM RECEIPT (or based on what has been going on and me needing to document everything, I will re-submit by putting in the box at the address and by signature received). I am also documenting with the federal agencies that this is submitted and on dates of submission. Thank you.

Thanks for the offer - I'll keep my - he just continues to show guilt. Someone not guilty would not act this way nor would it be so corrupt around them. It's not hard to sell a house and part ways.

Thanks for the offer though!

ex: his attorney office took off confidential verbiage at bottom and included - lol. Such illegal corrupt schisters.
