

COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 24-065

Judge:

Complainant:

ORDER

June 6, 2024

The Complainant alleged a superior court commissioner was biased against her in her sons' guardianship cases.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Denise K. Aguilar did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on June 6, 2024.

To whom it May Concern:

I am filing a complaint regarding requesting another Commissioner. due to the fact, that ive gone to court twice and havent received the answers and results i was searching for. I went to court on . for the first time and when I raised my hand to ask questions, the Commissioner kept putting me off until the last one to ask and answer any questions. The second time I appeared in court, he did the same thing on . I believe this case, is injustice against me and is working for the opposing parties, who decided to file paperwork against me and take me to court, since . without my knowledge and fraud with my mail, was committed, intentionally, for the sole purpose, I wouldnt have the ability to appear and speak on my behalf.

Case # . my son and

Also, The Commissioner granted me, in the last court appearance, to have the ability to visit both my sons in person and that was blocked, by whoever the opposing parties and both my sons were taken away from me, in and not one individual has come up and told me why they were taken away.

Its been a year, since ive physically seen both my sons.

I rarely get to speak to them, due to they've been blocked from me speaking to them.

Ive made every attempt to search for answers and no one has come forth and said anything, everyone involved is very, secretative as well as quiet about where both my sons are currently residing.
