**ORDER**

June 27, 2024

The Complainant alleged improper legal rulings and poor demeanor by a superior court judge hearing a family case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Roger D. Barton, Louis Frank Dominguez, and Regina L. Nassen did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on June 27, 2024.

For one when i went into court she stated i was committing adultery and my husband is well aware of me and my pregnacy so she slandered my name

she did not provide a recess so i could provide proper documentation of no DNA testing that and stated they had. She was harrassing me about being a mother and slandering my parental instincts and or thought. She was rude and not respectful as a judge or a women. She discriminated me and thats wrong

For one when i went into court she stated i was committing adultery and my husband is well aware of me and my pregnancy so she slandered my name

she did not provide a recess so i could provide proper documentation of no DNA testing that and stated they had. She was harrassing me about being a mother and slandering my parental instincts and or thought. She was rude and not respectful as a judge or a women. She discriminated me and thats wrong. When i appered in court i stated to the judge there has been no DNA testting she gave me a dirty look talked down to me and granted grandfather rights. I am having a tuff time now trying to get Child Support from son The judge graanted grandparent righs (I am married) is but being married and not having a affidavit made things much worse to get child support or help with my son. But can have grandparents rights, I feel as a iudae or even a mother she did not mind telling me i was committing ADULTRY. Even thought is well aware of me having a son with she made my life harder trying to get DNA and or SUPPORT with her ruling and not the proper documentation. I felt very discriminated agensts.
