

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 24-141

Judge:

Complainant:

ORDER

July 23, 2024

The Complainant alleged a municipal court judge did not act upon many alleged probation violations by the Defendant in a criminal matter.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on July 23, 2024.

I informed the judge that [Redacted] has violated her order of no contact multiple times since the start of this case. [Redacted] years already. I have over [Redacted] emails, [Redacted] text messages from one of his several phone #'s. He also has his friends stalk me on social media + talk about my kids + my life etc. He is on drugs, no testing has been done. He has been in AZ for MONTHS + no one has enforced he be present in court. I provided an address + he even stated he is in AZ. Judge did not order he appear in person. He has been given over [Redacted] chances to complete his Pro-Terms. He has done out of [Redacted] DV classes in the last [Redacted] months. No consequences by the court. Judge did not ask if the class was in person or online, she assumed + gave him the answer already w/o waiting for the real response. Again I let the judge know

about ALL of his violations + have evidence
The judge then stated she"

"Even though she personally ordered
he comply w/ probation + NO CONTACT w/
me. I questioned this + she stated again

What is the point of Judge orders
if they are never REINFORCED.

She has said if he does not comply he
will go to jail. This is on record. Why do I
have to continue to be traumatized because the
court doesnt even respect their own orders?

POINTLESS + has caused me significant
distress. How can Judge ignore blatant + proveable
violations? ALL DIRECT
