**ORDER**

August 30, 2024

The Complainant alleged a justice of the peace pro tem passed judgment against him for seeking an evidence manual from the public legal library and refused to respond on the record.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Denise K. Aguilar did not participate in the consideration of this matter.

I sent to you about some guy named \_\_\_\_\_ wearing some sort of weird black colored thing sitting on some seat. I think he was passing judgment or something. I think he might have been a Judge?

I don't know I just don't get any of this because I just didn't like I don't know I think I'm retarded?

I tried to write this guy who was passing judgment on me. I guess he was a judger. And he just refused to respond to me on the record...

He was talking about some sort of family or something being familiar to him. Idk.

Again it just seemed really unprofessional this guy was talking about familiar names. And I was like dude I'm trying to get an evidence manual. Like the evidence manual in the public law libraries outdated. And then he even was like trying to tell me I've committed some sort of crime because I asked for an updated book or something. I don't know. I just don't understand I think I'm completely retarded. I'm so retarded I asked for a book from the public law library and I should have known it's a legal for anyone to know law.
