Disposition of Complaint 24-182

Judge:

Complainant:

ORDER

August 23, 2024

The Complainant alleged improper legal rulings by a superior court judge hearing a family case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Colleen E. Concannon and Joseph C. Kreamer did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on August 23, 2024.

Judge _____ is purposely putting my son in danger and ignoring AZ state law! The defendant in my case my sons father has just failed a court ordered drug test for high levels of _____ consumption. The cutoff to be deemed a safe level of consumption is _____ the defendant failed at _____ ! That us a dangerous consumtuon amount to be driving with a minor child in the car. Im terrifies for my sons safety, the Judge didnt order the defendant to take a drug counselung class, he didnt order the defendant to take a lengthy parenting class and he didnt order the defendant to take mandatory weekly drug testing to show he is taking steps to sobriety to be a safe parent for our son. I feel like I am being forced to put my son in danger by being forced to let the defebdant have visiting time with our son knowing hes driving around under the influence of drugs and alcohol. I feel like if the judge cared at all about the safety of the minor child he woyld have ordered classes and weekly drug testing for the defendant while temporarily restricting visitation until the defendant has taken the classess and weekly drug testing to prove that he is taking all steps to be sober and safe. I am also afraid that the defendant being incapacitated will be influenced to kidnap my child and harm him as he has already kidnapped him for
