

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 24-184

Judge:

Complainant:

ORDER

August 23, 2024

The Complainant alleged a superior court judge allowed a probation officer to tell a lie.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Colleen E. Concannon did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on August 23, 2024.

Judge _____ accepted false and Fraudulent Statements under the penalty of Perjury by _____, who often threatened me, yelled at me and treated me like a slave and then he was allowed to tell the LIE, that I did not want to get off probation

They stated I wanted to stay on probation

This is why I was not afforded the Constitutional Right of being heard, yet it states in the letter, I would get to voice my opinions, but was denied that right by Judge _____ and I filed a Complaint with The Arizona Commission On Judicial Conduct and they stated the judge did nothing wrong

The Judge denied and Deprived me of protected rights and she did this under color of law
