**ORDER**

October 11, 2024

The Complainant alleged a superior court judge made improper rulings and ignored evidence in a family law case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Denise K. Aguilar did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on October 11, 2024.

I am the respondent in a petition by \_\_\_\_\_ . This case is over \_\_\_\_\_ yrs old. The following information is to show maleficence by \_\_\_\_\_ which had been presented to Judge \_\_\_\_\_ which she has ignored, and Judge \_\_\_\_\_ continues to show biased and favoritism towards \_\_\_\_\_ even though I presented items with documentation that she deemed made-up and claimed I was lying. Her decisions eventually are costing me over \_\_\_\_\_ dollars in assets. \_\_\_\_\_ and her first attorney, forced me to sign mortgage documents or they would dial 911 which would put me in jail for \_\_\_\_\_ mths. It clearly states in the petition no movement of family assets. During the same time period \_\_\_\_\_ moved family savings accounts to her private bank account. \_\_\_\_\_ took trips to \_\_\_\_\_ within \_\_\_\_\_ mths moving more family assets. Unbeknownst to me \_\_\_\_\_ dismissed the 1st petition \_\_\_\_\_ and \_\_\_\_\_ months later started a new petition which Judge \_\_\_\_\_ recognized her attempted to used family funds to pay off her private credit card and purchase clothing and gifts brought back to \_\_\_\_\_ Judge \_\_\_\_\_ unified both and made the 1st petition going forward. \_\_\_\_\_ kidnapped our children for over \_\_\_\_\_ days, took all hard copies, my personal computer and ( ) external HDDs (one of which contained my electronic wallet \_\_\_\_\_ bitcoins). In court documents she first claimed she had no idea of computer and HDDs, but once the court was provided evidence, she did have them, she changed her plea. Several attempts by the Judge requesting returning those items fell on deaf ears. It wasn't until \_\_\_\_\_ used as bribery, my computer and HDDs were returned. One 1TB HDD was returned "Broken/Frozen" delivered to my attorney at the time, \_\_\_\_\_ their staff \_\_\_\_\_ will testify to confirm. Both \_\_\_\_\_ and \_\_\_\_\_ committed perjury during the trial stating all HDDs were returned in good working order. \_\_\_\_\_ and \_\_\_\_\_ maleficence continued when I arrived for a deposition requested. \_\_\_\_\_ pulls out his personal cell phone and said he was going to record the deposition because there will not be a court reporter present. When I stated we needed to reschedule to have a court reporter present he yelled: " \_\_\_\_\_ . In a motion presents to the court, he claims the court reporter was present and I simply stood up and left. I provided evidence the court no court reporter was ever assigned to that deposition date and time. I also provided evidence to dispell \_\_\_\_\_ claims I had faked I had tested positive for COVID in an attempt to get out of doing the deposition. Both committed perjury during the trial reiterating the same fictitious story. When I provide proof of the purchase of \_\_\_\_\_ bitcoins (currently worth \_\_\_\_\_), 10 1oz gold bullion and 4 pieces of artwork, Judge \_\_\_\_\_ stated I was lying, when I attempted to show evidence of \_\_\_\_\_ cash loan, she stated I was lying. She dismissed \_\_\_\_\_ I brought into the marriage and dismissed 50% ownership of a contractual agreement by \_\_\_\_\_ home in \_\_\_\_\_. But the most critical is the dismissal of \_\_\_\_\_ being a polygamist, never legally divorcing her 1st husband \_\_\_\_\_. Just last week in the court room she showed favoritism to \_\_\_\_\_. I brought up her decision on being a polygamist, she quickly curtailed and said this meeting is strictly about equalization of \_\_\_\_\_, but 10 min later she allows \_\_\_\_\_ to bring up picking up \_\_\_\_\_ vehicle which I showed evidence of spending over \_\_\_\_\_ in repairs Judge \_\_\_\_\_ also dismissed!!
