COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 24-214

Judge:

Complainant:

ORDER

September 10, 2024

The Complainant alleged a superior court judge continued a hearing over his objection in a family law case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Roger D. Barton, Louis Frank Dominguez, Joseph C. Kreamer, and Christopher P. Staring did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on September 11, 2024.

I have been trying to get my children back for the past years. My son has been abused by his mother. Numerous times I have provided pictures of the Abuse, along with getting a protective order. He has denied me a court date over those years. The final straw is that my ex filed temporary order judge set a court date. Ex didn't serve me. I found out and accepted service. Judge canceled the court hearing. I want the court hearing to go as scheduled. It is not my fault my ex is not ready. At this point the state of Arizona, Judges are denying me my judicial right in trying ~~to get my son~~ to change my parental time and child support.
