

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 24-229

Judge:

Complainant:

ORDER

October 8, 2024

The Complainant alleged a superior court judge failed to remove his attorney when requested and failed to act on witness perjury in his criminal case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Denise K. Aguilar, Barbara Brown, and Louis Frank Dominguez did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on October 8, 2024.

To Whom It May Concern 2024-228
comp pg 1

My name is _____ and
I am incarcerated in the _____ County
Jail. ~ I am writing you in regards to
issues that I wanted to bring to your
attention involving a Judge here in
County. ~

I am filing the following complaint. ~
_____ was my presiding Judge
for multiple cases and two trials. ~ His
bias and prejudice for the state was
clearly evident from the very start when
he would not let me fire my lawyer due to
conflict of interest. I also explained to
him that my attorney committed prejudicial
error by excluding evidence on my behalf
without discussing it with me, not allowing
all of my evidence to be used in my defence
including New Found Evidence. ~ To cont
numerous legal "Kites" to Judge
leading up to both trials requesting my
lawyer to be forced to allow me to review
all my evidence (digital & otherwise) which went
ignored. I asked Judge _____ for perjury
charges to be brought against witnesses
who were blatantly lying. ~ Request ignored. ~
I asked Judge _____ to have
(cont.)

(cont.)

charges brought against individuals for
for self-admitted crimes in two of my cases
and was ignored. ~ pg 2

Judge Ignored "New Found Evidence"
which verified perjury by police officers in
one of my cases & at trial which would have
been reasonable doubt criteria. ~

I requested to have specific witnesses
subpoenaed (&)
yet the Judge (and my lawyer) ignored my
request and the witnesses never
showed up. ~

I am even facing DUI charges now in
Judge Court that were
previously dismissed (Double Jeopardy) due
to me never driving a motor vehicle (I
arrived in a taxi & left in a police car in
custody.) ~ Yet he is still allowing for me
to be wrongfully prosecuted. ~

I desperately need help with these
issues and bringing them to light or
finding someone that can investigate
my claims. ~ Because of his status no
one in ... County is willing to
legally do anything. Judge is
one of 3 Judges that seem to be
untouchable in this county and the
prosecutors & public defenders office

are involved in the corruption and being able to make illegal pleadeals that the Judges accept all to get convictions ~

I can prove these statements and will have documentation of such in approximately 4 weeks. ~

Thank you so very much for your time and hearing what I have to say. ~ Any assistance you can help me with will be greatly appreciated. I am to the point that I don't know what else to do and have spoken with my family about contacting News stations to bring these inoustices to light. ~ Once again please help me. ~

Have a great day. ~

Sincerely,
