

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 24-275

Judge:

Complainant:

ORDER

December 4, 2024

The Complainant alleged a superior court commissioner engaged in judicial misconduct by erroneously granting an order of protection where Complainant was named as the defendant.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Denise K. Aguilar and Delia R. Neal did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on December 4, 2024.

On _____ My Step Adoptive Grandmother perjured herself under oath in order to get my son removed from my life by telling Judge _____ i had been using _____ . _____ stated he could not give her a restraining order with my son on it as she was a third party and i had full custody of my son _____ . Well if a judge says he legally can't do something than turns around and says he will do it just once after serious lies were told about me i believe thats a serious form of judicial misconduct I am sending this recording directly to the commission via email.
