**ORDER**

December 20, 2024

The Complainant alleged a justice of the peace erroneously entered findings that he was properly served with a small claims suit.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Denise K. Aguilar, Colleen E. Concannon, Regina L. Nassen, and Delia R. Neal did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on December 20, 2024.

Dear Justice Court.

I have brought to the attention of the court a wrongful judgement issued in case #

The facts in the case are the plaintiff never produced a valid proof of service for the Summons and Complaint. The rules of valid proof of service are very clear in Arizona. I was never served!!! Nothing in the courts file has my signature on it nor has anyone ever attested to the fact that they handed me a Summons. END OF STORY! Invalid service!! I was not even home at the time service was supposedly given. Even the Plaintiff has not objected to the motion to vacate. He knows nothing he sent was returned to him with my signature or properly served.

In addition, the plaintiff only ever gave me \_\_\_\_\_ In rent and within a week he caused more than \_\_\_\_\_ In damages before he vacated. How did he get a "small claims" judgement for almost \_\_\_\_\_ ??

I have asked the court on 3 occasions to vacate the judgement without success. I am allowing \_\_\_\_\_ days for the court to vacate this judgment or I will be forced to take action.

Signed and notarized under penalty of perjury. Please note my legal signature affixed hereto does not appear in any court document presented to the \_\_\_\_\_ Justice Court as evidence of service. Neither has anyone attested to the fact they served me anything.

Sincerely,

CC: AZ \_\_\_\_\_ Court Executive offices, AZ Commission on Judicial Conduct.
