I just had court on @ . I was given my time to give my statement and then the mother of my child spoke her piece and then the the judicial Officer ( ) came at me with a foul attitude. Then the judicial officer proceeded to tell me I was in contempt of court for avoiding the other parties question and being evasive and not answering questions and then issues a " " for ! Under civil code 64.1 a civil warrant has to be issued under those guidelines and this is a clear cut misuse of power and racial discrimination. I have consulted with a form of counsel and this commissioner has clearly proved his personal and so called professional impact against men, mainly men! I will not stand for it and I hope you do your job and remove him from his office based in his actions.

I am asking that you handle this situation with swift and do your job to remove this gentleman for using his stature in the court room as a weapon! I need frequent updates from your division, I have cc: several other divisions and I will be filing with the Commission of Judicial Conduct! I will not be treated like this
