COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 24-395

Judge:

Complainant:

ORDER

December 27, 2024

The Complainant alleged a municipal court judge erroneously granted an order of protection against him.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Denise K. Aguilar, Colleen E. Concannon, and Delia R. Neal did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on December 27, 2024.

Judge issued No Contact Orders of Protection to _____ on _____ without sufficient evidence / evidence supplied was hearsay without supporting documented evidence like emails, texts, video, recordings or previous police reports! And when I tried to file Orders of Protection on _____ in _____ they were immediately dismissed by Judge _____ The _____ Court then made me appear on _____ without proper time to prepare for the hearing. I was not given a Law enforcement standby to gather necessary personal items because my vehicle was being repaired at that time and was on jack stands so I had to put tires and wheels back on my vehicle to be able to remove it from the property and then the _____ County Sheriffs office claimed that was my supervised visit to get clothes and electronic gear to properly defend myself in court!
