

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 24-418

Judge:

Complainant:

ORDER

December 27, 2024

The Complainant alleged a superior court commissioner improperly ordered him to pay child support.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Denise K. Aguilar and Colleen E. Concannon did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on December 27, 2024.

Instructions: Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. I have asked for (proof) a paternity test request over and over, I filed paper work in this matter it was denied.

He put a purge on me for simply asking for a paternity test. No test was ever done in this matter and to prove my not being the father of said child, I just asked for some facts,

I do not know the accuser I learned of this matter after my taxes was with held, I have never seen (said) child although I filled to see (said) child back-in and all denied (why?) I don't know.

I feel like my (rights) have been stripped from me,

I am just asking the court for proof of me being accused as the father.
