

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 24-453

Judge:

Complainant:

ORDER

March 28, 2025

The Complainant alleged a superior court judge was not making decisions and just told the parties to work it out in a family case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on March 28, 2025.

This Judge has not made any decisions -
Zoom mediations, not ruling on whether
their child should go to school and always
says the two parties should work it out
themselves. I was a witness at one of
the hearings and she looked bored and
aloof. The two parties can't work
things out themselves & now he's not
paying child support. Court ordered.
