COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 24-504

Judge:

Complainant:

ORDER

April 4, 2025

The Complainant alleged a superior court commissioner made improper rulings in a family law case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on April 4, 2025.

has caused injury to my person with threats, false and fictitious statements, not performing fiduciary duties, unanswered affidavits, annihilate my credit when it never started as a credit transaction. Her actions have caused humiliation, embarrassment, emotional distress as well as physical discomfort. My loss of newly acquired occupation income to support my family. I requested Oaths of Office as well as Bond information Statute Code Title 25-255 which was ignored. She has failed to answer any of my affidavits for almost a full calendar year. She told me that my documents were ex-parte. I never received a response. I have been under duress since day one. made one of the hearings into a Modification when we were not in court for a modification. during our Tribunal hearing she threatened me with incarceration after I asked her to validate a debt in which she replied, " then proceeded to increase my alleged monthly payments and soon after incarceration if the alleged monthly payment wasn't current by a future date. She then demanded that I do not use my newly acquired credentials for employment purposes to continue the unjust enrichment. I informed her that I've attempted to make payments and she will not accept them. I have made several attempts to tender payment and all () were dishonored (). I made Postal Money orders out for Accord and Satisfaction for Payment in Full as instructions written on them. The Clearing House did cash the Money Order meaning this matter should have been resolved. Since Title IV-D does not allow any others in the courtroom during the hearing the only witness will be the recording of the court that may be available to hear. I personally went down to the Clerk of Court on to solve that matter and attempted to tender payment with the representative named and that was also not resolved. I do have my greencards showing that documents were received by the two officials in my complaint. I sent copies of all of my last documents to all parties and yet she told me that not everyone received copies when I know that I made enough copies they were all stamped with the COPY stamp with the clerk of the Court, She told me that if I file anymore paperwork that they would charge me per page and that is illegal. I have been told that I am beligerant for trying to speak. On proceeded to Mute me at the last hearing which is also not legal. She then stated that she was going to issue a Warrent for my arrest and did not supply me with a copy of that Warrent. She allowed that Mother to just ask for what she wanted and did not allow me to speak or stand up for myself. This is a Violation and deprivation of my Rights and is completely unacceptable. She was upset that I did claim My Children. I am non beligerant and not combative. I am a living Man and I have Rights. I was Told that I had to appear in person but the States person and the other party can appear in a Virtual Hearing.
