COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 25-005

Judge:

Complainant:

ORDER

April 4, 2025

The Complainant alleged a superior court commissioner did not timely sign an order which interfered with an appeal.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on April 4, 2025.

took matter advisement on . He issued ruling but did not sign. I filed notice of appeal but appeal is on hold bc never signed his order. I filed motion for signed order on by mail. He got copy of the that signed order required. Deadline was for signed order but he din't so I had to file a motion to continue with .

Anwav. he needs to issue a signed order so I can continue my appeal. It's been way past 90 since without issuing a ruling since a ruling by definition is appealable.

You all need to make him do his job. This is getting ridiculous.
