Complainant:

**ORDER**

June 10, 2025

The Complainant alleged a superior court judge was biased by ruling against Complainant in a criminal case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Denise K. Aguilar, Scott H. O'Connor, and Christopher P. Staring did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on June 10, 2025.

## COMPLAINT AGAINST A JUDGE

Your name: \_\_\_\_\_ Judge's name: \_\_\_\_\_ Date: \_\_\_\_\_

**Instructions:** Describe in your own words what the judge did that you believe constitutes misconduct. Please provide all of the important names, dates, times and places related to your complaint. You can use this form or plain paper of the same size to explain your complaint, and you may attach additional pages. Do not write on the back of any page. You may attach copies of any documents you believe will help us understand your complaint.

I have filed numerous post-conviction Relief Proceedings over the past years. Every one of them were either dismissed or denied. However, some of them were overturned in the higher courts. That meant my claims were valid.

I feel and truly believe he is prejudiced towards me and/or my crimes. Judges are NOT suppose to base rulings on their personal thoughts of a defendant or crime. It is in the canons for judges.

This Judge even went so far as saying I filed a claim many years ago so it cannot be raised again. The problem is he denied it back then, and it is a U.S. Court ruling that needed to be granted following stare decisis, a rule of law. Most of my claims have high court rulings as precedent which MUST be followed.

I feel this Judge should NOT be handling cases like mine due to personal feelings.

Please do something about him.

Thank you
