Judge:

Complainant:

**ORDER**

July 11, 2025

The Complainant alleged a superior court judge is homosexual, must have violated the law 20 years ago when it was illegal, and therefore should not preside over a family law case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Joseph C. Kreamer, Regina L. Nassen, and Christopher P. Staring did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on July 11, 2025.

\_\_\_\_\_ County \_\_\_\_\_ Court judge \_\_\_\_\_ is a \_\_\_\_\_. My counsel advised me as much, during my matter before \_\_\_\_\_.

The state of Arizona did not remove \_\_\_\_\_ and crimes against nature from Arizona Revised Statutes until \_\_\_\_\_ then the United States Supreme Court ruled on it in \_\_\_\_\_. Therefore, with judge \_\_\_\_\_ beginning his legal work as a legislative intern in \_\_\_\_\_, there would have been several background checks, and perspective employment applications he would have had to truthfully complete, and pass. Certainly these legal background checks, bar examination applications, and legal profession job applications would have asked about \_\_\_\_\_ criminal activity he was involved in, detected or undetected by authorities.

I would like to subpoena these records, or submit a Public Information and Records Request for them. Additionally I would like a copy of his curriculum vitae. I will examine and investigate these records in regards to judge \_\_\_\_\_ truthfulness regarding his \_\_\_\_\_ activity prior to his endeavor into a career concerning law.

The hypocrisy of judge \_\_\_\_\_ punishing, sentencing, and sending people to be put in cages is outrageous while he \_\_\_\_\_ others, or has \_\_\_\_\_ others in his past that has gone undected while climbing the ladder within the Arizona judiciary. Partaking in intrinsicy evil \_\_\_\_\_ acts deprives the human person of their dignity.

The sanctimoniousness of judge \_\_\_\_\_ hearing matters involving families, and custodial situations involving minors and passing judgement is absolutely absurd.

Please confirm receipt of this complaint with an email response. Furthermore if this complaint is assigned a judicial misconduct investigator provide their name, email, phone number and date of assignment. Pasted below is \_\_\_\_\_ work history found on his bio online. I would like these records going back to \_\_\_\_\_, or possibly further back during his undergraduate and law school studies at the \_\_\_\_\_  
 Warm regards,

United States citizen at \_\_\_\_\_
