COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 25-161

Judge:

Complainant:

**ORDER**

July 18, 2025

The Complainant alleged a superior court judge issued delayed rulings in civil cases.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Michael J. Brown, Joseph C. Kreamer, and Scott H. O'Connor did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on July 18, 2025.

Caution! This message was sent from outside your organization.

Good Morning,

Please open and file 4 new complaints on the following judges:

Rationale: all 4 judges far exceeded their 60 day timeline, delayed summons to Defendants and more, thus requiring pro se plaintiff to file writ of mandamus to compel the cases forward. All documents available on the portal as needed.

This excludes the clerks additional delays by returning packets for additional work, copies, etc that were originally included and delayed creation of case files (started mid

).

Thank you,
