COMMISSION ON JUDICIAL CONDUCT

---

Disposition of Complaint 25-164

---

Judge:

Complainant:

---

**ORDER**

July 18, 2025

The Complainant alleged a municipal court judge dismissed his evidence because he was mentally ill and called him a bad person.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Scott H. O'Connor did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on July 18, 2025.

Judge is not the brightest.

Dismissed my case immediately after telling him of a voluntarily mental hospital-check in for anger issues (relevant to case) and equated anything I said after that with hallucinations and delusion. This is who is making judiciary decisions. Someone that perceivably daft.

In addition to calling me a bad person. (I am seeking out a restraining order against family members) What kind of judge says that? Who are you to say that? What kind of judge is this?

Municipal Court

for the you to witness that on video. What kind of judge is that?

He's also stating to me that police documentation and video evidence of false accusations of sexual violence are not adequate for a protective order. Then WHAT IS???????????????????????????????????? A class 1 misdemeanor committed against a person is not adequate for protection, in addition to one of them being a registered gun owner. Is what he's suggesting to me.

You dont know my family. Everyone does not come from a loving family. There are evil in this world and mine happen to be. The preconceived idea in your mind of what a father and sibling are and should be , is IRRELEVANT. This side of the family sees me as an illegitimate abortion that shouldnt exist! And your siding with them (even just on paper) was blatantly obvious.

You telling me you doubt me over and over. Unprofessional, quite frankly
