The Complainant alleged a justice of the peace mixed facts with emotion, was threatening toward the defendant, and favored the plaintiff in a civil case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Delia R. Neal and Christopher P. Staring did not participate in the consideration of this matter.

My complain is about discrimination, harassing and maltreatment from Honorable Judge who mixed her emotions with facts on her Courtroom. , allowed to become a circus where she was partially unilaterally supporting and providing legal advice to plaintiff.

The Honorable Judge abused her authority alluded to participate other parties on the Court room without being part of the legal trial. witness of was not part of the trial and he was aloud to be part of the contest making false accusations against Defendant .

Honorable Judge was leafing through papers during court heading in arrogant manner, speaking loudly and with a threatening tone to the defendant causing the defendant feels frustrated and afraid .

The Honorable Judge answer in a threatening voice when defendant ask to where made the payments using again threatening with a loud voice Once again providing legal advice to plaintiff reporting you must make a payment for the plaintiff or she can put a lean in your house.

The Honorable judge a was mix her emotions with facts, when present in the Court room with old dresses pretending to be helpless old lady. Nothing compare on her page on and her real life., dresses licra shorts and full of make up as a years old women. I was asking for an appeal to have a new trail with a Judge who is neutral to the cause being alleged and does not get carried away by the emotions that the participants of the circus provoke .

Defendant ask a new trial with a Judge who is fair and complies with an respect the right of participants . A judge who not create a hostile environment in a Court Room and don't use discrimination, racisms and maltreatment , favoritism to defendant and others anymore.

Defendant ask for an appeal denial one more time supporting her decision not in a favor of defendant .

Defendant was asking for a new motion of this trail with a new judge already assigned to this case. Defendant first time on this events with a not pleasant treatment from Honorable Judge

Defendant works on the health field for the last years as a , never mixed facts with personal emotions to decide after clinical assessment for clients the number of classes assigned to them. Treat clients with respect and support them to change their behavior and be a better person in the community using and more therapeutic modalities in our setting.

Respectfully,
