COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 25-180

Judge:

Complainant:

ORDER

July 29, 2025

The Complainant alleged a pro tem justice of the peace allowed a clerk to make biased comments, delayed rulings, and failed to notify Complainant of court rulings.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Regina L. Nassen and Christopher P. Staring did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on July 29, 2025.

Multiple judicial misconduct issues include not hearing motions, ignoring non-disclosed conflicts with attorney, refusing to follow laws with the state saying "when referring to the use of statutory agents. The judge is treating me beyond different for not being an attorney and should have not shown bias. He should have riled the court clerk had misconduct in showing favoritism to opposing party with clerks even making statements they use the business and have a personal relationship and love the opposing party. This is a conflict that needed to be addressed.
