COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 25-228

Judge:

Complainant:

ORDER

August 22, 2025

The Complainant alleged a municipal court judge improperly issued a warrant in a criminal matter.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on August 22, 2025.

Article 5060. International Public Notice: Land and Soil Jurisdiction Sheriffs

by

On our land and soil, County Sheriffs are the ultimate peacekeeping and law enforcement officers. Within the borders of their counties they are literally the Law when Land Law is declared, as it now is.

This supreme authority exists only within the physical borders of their specific County.

For criminal investigations and pursuits across County and State borders, they rely on our Continental Marshals.

Both the County Sheriffs and the Continental Marshals are fully indemnified and enjoy state immunity.

A written Public Notice has been issued this morning advising the County Sheriffs of the change of law and their duties under it. A copy of this Public Notice is attached so that all individuals and foreign governments are fully informed.

Notice to Agents is Notice to Principals; Notice to Principals is Notice to Agents.

This Public Notice is being distributed to all County Sheriffs throughout the country.
