COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 25-236

Judge:

Complainant:

**ORDER**

August 13, 2025

The Complainant alleged a superior court judge improperly ruled his children to be dependent.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Joseph C. Kreamer and Delia R. Neal did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on August 13, 2025.

I am writing to formally submit the attached demand for criminal investigation, mandatory reporting, and federal oversight regarding the wrongful removal and documented abuse of my sons, \_\_\_\_\_ and \_\_\_\_\_, as well as the wrongful termination of parental rights in \_\_\_\_\_ County Dependency Case \_\_\_\_\_.

This demand is supported by:

- Over \_\_\_\_\_ video recordings documenting injuries and abuses.
- Dozens of legal filings, motions, rebuttals, and evidence that I personally submitted into the record.
- Hospital records and other factual evidence directly contradicting the state's narrative.

I must emphasize my immediate and urgent concern for the welfare of my boys. The last time I saw \_\_\_\_\_, he had dark circles under his eyes and was not meeting basic developmental milestones. \_\_\_\_\_, once a thriving child, has visibly declined since being placed in state care. I have not seen either child in over two years. My greatest fear is whether they are even alive, whether they are safe, and whether they are being cared for in any meaningful way.

I have provided this information in the attached document to ensure that your offices and every relevant oversight authority can fulfill your sworn obligations under both Arizona and federal law.

Given the severity and scope of these documented abuses, I request written confirmation of:

- The receipt of this demand.
- Any investigations or actions initiated as a result.
- Contact information for the assigned investigator(s).

I appreciate your prompt attention to this urgent matter. Thank you.

Respectfully and resolutely submitted,
