**ORDER**

December 16, 2025

The Complainant alleged a municipal court commissioner engaged in perjury in a civil case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Michael J. Brown did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on December 16, 2025.

MUNICIPAL COURT

STATE OF ARIZONA,  
Plaintiff,

vs.

Defendant.

CASE NO.

ORDER

On \_\_\_\_\_, the Court received an email from Defendant regarding this case and responds as follows.

Defendant was cited on \_\_\_\_\_ with three civil violations, No Current Registration, No Proof of Insurance and No Lap/Shoulder Belt. Defendant failed to appear at the arraignment and never contacted the Court at all to resolve the charges. The case went into default and collections on \_\_\_\_\_, where it has remained ever since. The fine balance is \_\_\_\_\_.

Now, Defendant has sent correspondence to the Court, which included a copy of a collection letter over which Defendant had written "Not Recognized", and "No Contract", and "Invalid", and other nonsensical things.

Thus, no action will be taken on this correspondence. The case will remain in default and collections, and has been reported to MVD, per Arizona law.

Dated this day,

\_\_\_\_\_  
Commissioner  
Municipal Court
