COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 25-357

Judge:

Complainant:

ORDER

November 21, 2025

The Complainant alleged a municipal court commissioner failed to follow the law.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on November 21, 2025.

The Judge _____ did willfully refuse evidence because he stated it was inconvenient based upon the length of the recording being longer than _____ minutes. the recording had the ability to play at any point and did not need _____ minutes of the judges time so the judges argument is not only irrelevant but violates my 6th amendment because of the due process clause expressly written in the 6th amendment. I feel _____ gave me an unfair legal proceeding and violated my 6th amendment and court processes.
