Complainant:

ORDER

October 14, 2025

The Complainant alleged a justice of the peace was unprofessional.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Colleen E. Concannon, Joseph C. Kreamer, and Regina L. Nassen did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on October 14, 2025.

Complaint Against a Judge

Name:

Judge's Name:

I had a problem with the Justice of the Peace _____ . I went to the _____ Justice Court, on _____ at approximately _____. My attorney, _____, advised me to go to the _____ and get a form to appeal a resent mediation agreement. The clerk said the agreement had nothing to do with the court, because it wasn't a legal agreement.

_____ asked me to get the clerk to put something in writing, if I could not get the appeal form. When I asked the clerk to put that in writing, he refused and went and got the judge. I was never treated with such disrespect. The judge was aggressive, offensive, hostile, and unprofessional. He came out shouting at me. He told me that I was wasting the courts time and money. When I raised my voice to get a word in to explain that I was doing as my lawyer advised. He threatened to call the police and have me arrested if I didn't leave immediately. I am appalled at what happened and still cannot believe it.
