

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 25-376

Judge:

Complainant:

ORDER

November 21, 2025

The Complainant alleged a justice of the peace improperly ordered a booking in a criminal case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Delia R. Neal did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on November 21, 2025.

Subject: Additional Charge of Harassment against Judge

Caution! This message was sent from outside your organization.

of , Judge allowed a harassing third booking and fingerprints by the prosecution, even though the Courts own paperwork showed that no additional booking or fingerprinting was required.

Judge harassed me by making me fly back from where I was in treatment for the injuries I sustained by being assaulted on . I missed appointments and appointments due to this unfair and unnecessary harassing order that was issued by Judge for a third booking for a wrongful arrest.

Judge interrupted my medical treatment for no valid reason except to use the power of the State of Arizona to harass me personally.

The courts own paperwork demonstrates that a third booking was not required but Judge allowed it anyways.

Thank you,
