

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 25-402

Judge:

Complainant:

ORDER

January 23, 2026

The Complainant alleged a superior court commissioner was rude, did not allow Complainant to be heard, and made orders based upon “unfactual truths,” in a family law case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer’s legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Michael J. Brown and Colleen E. Concannon did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on January 23, 2026.

I am filing a complaint because Judge was rude & disrespectful. She refused to let me respond and did not address or enforce any of the motions ~~sup~~ I submitted in a timely fashion or even at all. She ignored facts and based her decision on opinion and not facts. she did not let me respond to accusations. She also didnt give me allotted time to present my case trial was at _____ to _____ at _____ I was trying to ~~respond~~ respond to be berated in court by the defendant and she refused to continue the trial. I also put in a motion for a DNA test due to being sexually assaulted and she denied my motion without hearing my reason and refusing to hear anything I needed to say then her orders she reached were based on un factual truths. She did not use the law to make her decision. She kept cutting me off as if she was irritated with being over my case. I tried to let the process go thru but I see she didnt care about anything I said or filed and she was bias ~~for~~ for me and my pass. Also she stripped me of my rights I am intitled to. Also she didnt consider nothing she said days she took hours
