

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 25-419

Judge:

Complainant:

ORDER

November 21, 2025

The Complainant alleged a municipal court judge was biased.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on November 21, 2025.

Hello, and good afternoon I would like to file a complaint on the judicial officer Name above apparently they are playing favoritism to the plaintiff, in injunction against harassment filed by who is a government employee Who did not go through the regular processes to file the injunction against harassment he did this on his own, and he's supposed to go through his legal counsel which is with the attorney generals and didn't, but the judge didn't rule that there is no legal basis for it to be moved to Court. I am disabled, and do not drive and live all the way in Close by And I live about minutes to an hour away from the courts, so I have no way of getting there because I live in a treatment facility and they're not gonna take me all the way down to for the case, and I am disabled. I think the judge is playing favoritism to the plaintiff and has denied all of my motions that I have filed. I had a hearing before to hear this out and if I want to move to Court, and I should be able to have it moved to Court. So I can receive a fair hearing. And with Judge , I don't think this is possible for me to get a fair hearing.
