

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 25-422

Judge:

Complainant:

ORDER

November 4, 2025

The Complainant alleged an appellate court judge “has shown bias against the citizens of Arizona and preference towards any judicial officer, regardless of history or behavior.”

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Denise K. Aguilar, Colleen E. Concannon, and Christopher P. Staring did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on November 4, 2025.

COMPLAINT AGAINST A JUDGE

Name: [] Judge's Name: []

Instructions: Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

[] is an [] Court Judge and the [] of the []
" He is highly respected in his judicial position. As the [] of the [] he has shown bias against the citizens of Arizona and preference towards any judicial officer, regardless of history or behavior.

- [] (Complaint []), is a typical example of the FAILURE of the []. A felon "agreed" to not take a future judicial position???

-Likewise with [], who has [] letters of Reprimand and, at least, one Warning Letter.

-In [] latest complaint (Complaint []), he was seen removing items from a crime scene and cleaning up the actual crime scene room. The owners of the home could NOT have given permission to even enter the property as one was deceased and the other on life support. And the person charged with those murders is [] step-son.

- [] County [] Court Judge limited the Defense's cross-examination to minutes. A murder defendant was denied his basic Constitutional rights!!! He received a mere warning letter.

-There are many other judicial officers that have been reprimanded by the CJC, MULTIPLE TIMES!!! And many more with simple (hidden) Warning letters for SERIOUS misconduct.

Rule 1.1, Rule 1.2, Rule 2.15 and many others show that [] and the CJC has failed the citizens of Arizona by allowing misconduct prone judicial officers to remain on the bench. "

I am requesting that an outside entity, such as an out of state judicial commission, review the actions of the [] and for Complaint [] forwarded to the [] Police ([]) for a proper investigation. And, this complaint should be sent to an outside [] or resolution due to a conflict of interest.

A judge shall comply with the law, including the Code of Judicial Conduct.
