**ORDER**

November 21, 2025

The Complainant alleged superior court commissioner was biased in a ruling.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on November 21, 2025.

To whom It May Concern,

I am requesting Commissioner conduct during my hearing be investigated for implicit bias towards Me. I believe the Commissioner asked repeated leading questions. Scolded me for receiving explicit photos from plaintiff without request. Informed plaintiff of his right to due process by cross examination where the commissioner did not provide me that opportunity. Judge stated text showing plaintiff threatening to come in shooting at our shared home the judge stated it was not able to be admitted because it could have come from anywhere, nothing further was done. In absence of evidence Commissioner granted a year order, placed me on the brady list stating testimony where he asked leading question and my "demeanor" were reason for ruling when I am not a resident of Arizona. I do not believe the Commissioner
