COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 25-427

Judge:

Complainant:

ORDER

December 23, 2025

The Complainant alleged a municipal court judge tampered with court documents.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on December 23, 2025.

Did you get this email or was it blocked the first time by your IT department - the same department that blocked all case law from overseas access in response to me until they ended document previews on eaccess?

I have a bounce report on Gmail.

he was in custody as she said in a previous case (see below for video sources)

As usual here the obstruction of justice involves _____ .

_____ reports in the documents he was served the letter was reduced to one page. That hides the context of the letter and since allegations were made it was threatening when it wasn't the whole letter must be tended by the prosecution into evidence. If they did obtain the _____ page letter from the prosecutor and put it on file and sent it to _____ , then quickly obtain affidavits from their staff that they sent it to _____ County Sheriff's detention facility and report the federal crime of mail theft to _____ If they didn't get _____ pages in the first place also advise me if that is the case so I know the corruption is down the line from the court. I will do likewise depending on the outcome of these records requests, as they are being done to report federal crimes, and obstructions of these records requests will be given as intent to cover up federal crimes should the investigation lead in that direction.

BACKGROUND:

I have been receiving threats from _____ not to complain about judicial and prosecutorial misconduct in Arizona, and I think those threats are based on the fact that she's in the _____ Police the people who make the biggest Brady list website in America are obsessed over. Details of this including exhibits can be seen here:

_____ days ago _____ was given a threat that the authorities used a _____ inmate with poor body hygiene proxy to threaten him with life in prison if he continues to write letters to expose judicial malpractice. The threats came from _____ from _____ . Maybe someone can make a better deal with him to find out who put him up to make the threats, likely _____ who has employed _____ other prison snitches against _____ including one who was ordered to call _____ other ex _____ then judge _____ made a false finding of fact _____ contacted _____ in the court minutes when testified it was someone else at the jail. The case couldn't proceed against _____ Otherwise at _____ unless this call was made as _____ had not been in contact with _____ in any form in the year prior.

Also in the background information [redacted] in [redacted] Police records refuses to release records requests in relation to the attached file or call me back regarding Officer [redacted] raid on the evidence locker except to admit the camera footage of the raid was illegally deleted to cover up police crimes and a one page document exists before arranging his golden parachute promotion to Arizona [redacted], since that she doesn't respond to correspondence. She also likes to add noise filters that are not a legitimate form of redaction and claim [redacted] Police didn't have interview room cameras and body cams when they did to block release of the footage recorded on those devices and witnesses by others. The video interviews of [redacted] and [redacted] were commented upon by Public Defender [redacted] but she claims they don't exist to the defence counsel destroying exculpatory evidence. Please she the attached file FYI against [redacted] to prove they are fighting hard against the public interest and for the religion of child blood consumption (cakes of light) and child orgies

(gnostic catholic mass) and child sacrifice (book of the law) because this child abuse cult founded gay rights in America through it's and member and the police chief who prefers lesbians in high ranking office positions. She's recently caused a divorce with city staff with her Lesbian Affair with and is involved in harassment complaints against the Mayor for knowing too much about her crimes, or to provide a smokescreen for her imminent dismissal. Please see the links in the attached document sent to police that proves the is a masonic child abuse cult. Here are details of them meeting in Masonic lodges in

(meets and does their Gnostic Catholic Mass Ritual involving sex magick and two real children not adult stand-ins in a Lodge - see FOI to attached for sources) (see their website links to the homepage of the head of the cult whose in their leaked training videos mandating Gnostic Catholic Mass child orgies and says they do rituals with children on the same website that says they drink child blood)

as they tell the government in filings they follow orders from this guy who talks about child baptisms.

Proof of the cult doing perjury in testifying under oath they never do any rituals with a child contrary to the links on USA websites. Pay attention to all 4 links on this tweet to show even is putting out fake news about a case I am party to.

likes to talk to members of the child sex cult such as formally who Judge allows to attend case even though he lost his main account for child rape threats to main witness and helper (me)

She's making up fantasies I have arrest warrants for child porn in doing defamation and giving false defamatory testimony when it was the police officer that arrested me went down for child porn and the charges against me were dismissed in the furtherance of justice (full documentation on request since DOJ deleted the records when I made inquiries to Police IA about the leader and his leaked training videos mandating sex magick with children - and instructions for mandatory reporters not to report child sex done in the cult. It's not hard to find Police Officer is a registered sex offender.
