

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 25-452

Judge:

Complainant:

ORDER

December 23, 2025

The Complainant alleged a superior court judge was biased against her and allowed perjured testimony in a family law case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on December 23, 2025.

The Judge Denying my motions numerous times detrimentally affected myself and my time with my children which the time lost cannot be replaced but I hope that this complaint filing will bring some positive outcome for myself and my rights as a mother.

Furthermore:
I do not intend this report as a reason for the Judge in this matter to be in trouble I only want this to inform and hopefully help Judge _____ understand the importance of my case being heard and the record set straight.

Lastly the Attorney General emailed me that they could not help me and it was a better fit for my situation to contact the Arizona Commissioner in which I was instructed to fill out this complaint form.

Hello to whom this concerns,

I just filed a motion to inform as well as modifying/

I had my trial on _____ @ _____ with Honorable

Over this weekend I was able to confirm the Respondent and his legal counsel with LIED UNDER OATH regarding claims made against myself as well as FRAUDULENT claims which now has created a Defamation of character towards myself and my significant other

The attached images with the case numbers in the audio prove the defamation and lying under oath purposely and solely done by The respondent and respondents legal counsel in front of Judge

I have already contacted the Arizona and I current contact with them as of today.

Please let me know that this is received and I have attached the Motion I filed just now.
