COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 25-471

Judge:

Complainant:

ORDER

February 11, 2026

The Complainant alleged a superior court judge failed to prevent court staff from emailing Complainant, as the address is no longer associated with the case, and that constitutes harassment and ex parte communications with the other side.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Colleen E. Concannon and Regina L Nassen did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on February 11, 2026.

I am former assistant to the Plaintiff in this matter. Prior to quitting my job with the Plaintiff in this matter, we filed a notice of change of address were we remove the email address of _____ from the service list on or about _____, in part because I was in the process of unwinding my role as the Plaintiff's assistant. See Exhibit A.

On or about _____, I received an email from the chambers of Judge _____. See Exhibit B. I emailed them back saying that I am the wrong person they are trying to reach and to stop using my email address. Judge _____ ignored my requests and continued to send emails to me. See Exhibits C-E

Not only is this judicial harassment, but it also ex parte communications between Judge _____ and Defendants in this matter and it needs to stop immediately.

This body should take action to correct this harassment and judicial misconduct of deliberately engaging in ex parte communications.
