Disposition of Complaint 25-487

Judge:

Complainant:

**ORDER**

January 23, 2026

The Complainant alleged a superior court judge improperly applied the law in a family law case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Michael J. Brown and Colleen E. Concannon did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on January 23, 2026.

**COMPLAINT AGAINST A JUDGE**

Name: \_\_\_\_\_ Judge's Name: \_\_\_\_\_

**Instructions:** Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

To whom it may concern,

My name is \_\_\_\_\_ I am the father of \_\_\_\_\_ Case# \_\_\_\_\_  
 hearing (start time \_\_\_\_\_ - end time \_\_\_\_\_ . I humbly come before you as a father who was  
 improperly denied by a judge and here are the reasons I feel are pertinent to this complaint. The Judge  
 is: \_\_\_\_\_, ( \_\_\_\_\_ ) AZ. If you would please listen to the audio call you would find that  
 I was denied to put forth any effort to defend myself, and when I did try I was cut off by the judge. At the  
 time of this hearing I had just started \_\_\_\_\_ program to better my life and to better provide for my  
 daughter in the future, however, as the audio will show Judge \_\_\_\_\_ was trying to base child support off  
 potential earnings of a welder, and when I mentioned he could not do that, Judge  
 proceeded to say “ \_\_\_\_\_ ” I said \_\_\_\_\_ and he said “  
 \_\_\_\_\_” also the Judge said “  
 \_\_\_\_\_” I found that disconcerting, and inappropriate, and biased. I  
 have concerns about what was put forth by the mother of my child since I have not been able to have any  
 access to those documents. I do not dispute the paying of child support, I do dispute I have zero input in  
 this equation, and my visitation time keeps being reduced by mother without recourse. I have been  
 denied additional parenting time, but denied by Judge \_\_\_\_\_ due to motions he said were needed but  
 never properly explained or listed, I only know of the motions because an office staff let me know, but  
 never properly explained.
