COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 25-497

Judge:

Complainant:

ORDER

December 2, 2025

The Complainant alleged a superior court judge was discriminatory in a criminal case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Denise K. Aguilar and Delia R. Neal did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on December 2, 2025.

First off- In these matters I have not waived
My preliminary hearing. I Addressed this
issue at My Settlement conference
I was also given an unfair and un
cooperative Settlement conference. I was willing
To Admit My wrongs and complete classes
Because during the events of my case's I was
under the influence, I Addressed the court and
Judge that I was overly charged
She did not take in consideration the classes
I completed, nor did she consider my Sobriety
She did not read my police Report or watch
any of My videos to make a Better determination
I feel that Judge was racist +
And Inconsiderate of the effort and work
I put in to show her and the state how
influenced I was to change, And be a
productive member of society. My Attorney
Did not defend me as to point out the facts
in my case she did not bargain a deal
And shot down multiple proposal I asked for.
